- Volunteer Appreciation:** (volunteers are the life blood of our organization and we want to honor and thank them for all their hard work that they do advocating for the abused and neglected children of our community. Not only do they give of their time, they also give of their own resources, mileage on their personal cars, personal computers and supplies all at their own expense. So for all they give, we want to give back with special events and acknowledgement and aid through: lunches, dinners, café breaks, outings, gas cards, lap tops, printers, entry to conferences/trainings, spotlight & Life time achievement awards & CASA Swag it's something so little for all that they do.)

- CASA Children:** (not only do we advocate for the “best interest” of the child, we also advocate for “normalcy of the child” and offer help in providing additional items that help make their childhood more normal. We raise funds to assist with purchases of: large items like beds, mattresses, bikes & wagons, school trips/outings, sporting equipment, classes, summer camps, prom attire, boy & girl scouts, 4-H, extracurricular items: football, baseball, softball, volleyball, swimming, golf, dance, cheer, track, bowling. We want these children to have the same opportunities as everyone else and often times the resources are not there for it and your donations helps provide this for them.)
